

California Paddle 2007

Join the Campaign for a Plastic-Free Ocean!

~ Malibu Pier, Oct. 20, 2007 ~

What: 10 AM Scuba Dive

11 AM Paddle Out to Tom Jones

1 PM Malibu Inn, Lunch & Raffle

Did you know that there is enough plastic in the ocean to cover 2/3 of the State of California with a sheet of plastic?

Plastic pollution is a problem that affects all of us. It kills countless marine mammals, birds and other organisms and it spoils the beauty of our beaches.

Tom Jones, an extreme athlete, to draw attention to the problem, is paddling the entire length of the California coast on a 14-ft. paddle board; this is the 1st time, it has ever been done.

Join Tom Jones by paddling out to meet him. Then join us at the Malibu Inn for an opportunity to hear and ask Tom questions about what we can do together to rid the oceans of this deadly pollution and how to change corporate, government and individual behavior to reduce the pollution and restore the ocean.

Do something about it. Donate. Join us. Do it now!
