

SEPTEMBER SPECIALS

PADI National Geographic Diver

As a National Geographic Diver, you join an elite group of explorers, adventurers and conservationists. The insight and training you gain during this program will broaden your awareness and take your diving skills to a new level.

You'll learn to observe and explore like an underwater scientist.

- Participate in an Exploration Project that includes gathering information and creating a visual representation of the dive site detailing specific features.
- Learn National Geographic Knowledge based on information gained by interacting with the National Geographic Diver *Almanac* and DVD
- Demonstrate the ability to hover in at least three different positions
- Practice navigating a square or rectangle pattern using a compass and natural references or participate in an aquatic life identification exercise.
