PADI OPEN WATER (BEGINNING)

GET WET WITH MALIBU DIVERS

The allure of the ocean. It has called out to you and you've answered. You've made that decision to become one of the few to slip beneath the gentle, rolling surface of the ocean to discover the wonder and beauty of the other 70% of your planet. The big question is, with so many options available to you, where's the best place to go for your scuba training?

In two words, Malibu Divers.

We have the highest PADI certification for a training facility in Southern California, we also offer the most complete, affordable and exciting Open Water courses we've seen. Our programs include a weekend getaway on beautiful Catalina Island as part of the standard course. It's like going on vacation to learn. No where else will you find a package as fun and adventurous as we make our training programs.

FULL CERTIFICATION PROGRAMS

Get certified in only two weekends. Complete all your pool dives, and course work over the first weekend and then a second weekend in Catalina. While there, you get to finish all your required ocean dives. All transportation to and from the island, one day of diving at Casino Point, one day of diving on the King Neptune AND a hotel room is covered in our Deluxe package. Catalina Island is a premiere location to dive and you'll get a chance to explore different sites up and down the island. Stay over Sunday night at no additional charge and either dive for fun on Monday or continue your training with Specialties or the Advanced Open Water Class (1/2 price!) **Call for Price!**
